# BIG SOUND SMALL PACKAGE

GoKit is designed for the professional drummer seeking high-end sound and performance in a lightweight and portable package. From small rehearsal spaces to large venues, GoKit performs well in a variety of applications, yet its scaled down dimensions make transport and set up convenient and easy every time.

Utilizing a blend of Birch and Basswood, GoKit's full-bodied tone lies in Birch's ability to provide punchy attack and in Basswood's inherent warm sustain. With Taye's patented EFS™ Shell Technology, these two woods are cross-laminated to provide extremely rigid shells - providing enhanced projection and longer sustain. The shells are then beautifully finished in your choice of brilliant high gloss lacquers or premium laminate.

Furthermore, GoKit comes standard with many Taye patented features, including the SlideTrack® Tom Holder System, which allows for the lateral placement of toms along the depth of the bass drum for ergonomic placement.

If you are seeking full-sized sound without the weight of a traditional sized kit, you'll be refreshed to realize the benefits that only the GoKit can afford you.

## TRULY PORTABLE

The GoPack-3 GoKit Travel Bag Set is specifically designed to accommodate the GoKit standard configuration's smaller sized dimensions and its accompanied hardware pack.

Made from durable, weather-resistant nylon material, the bags feature foam spacers to keep your drums protected. They also come equipped with extra pockets to store your tools and accessories.

The 3 bag set allows you to walk all your drums and hardware into the gig in one trip!

## FINISHES:

Daytona Sunset

Antique Honey

Blue Microflake

Black Microflake

White Pearl

# CONFIGURATIONS:

All configurations are available as drum sets with hardware or shell packs

GK418F:  
GK1875B 18"x7.5" Bass  
GK1055R 10"x5.5 Rack  
GK1206R 12"x6" Rack  
GK1304S 13"x4" Snare

Hardware Pack G:  
HH4000 HiHat Stand  
SS4000BT Snare Stand  
2-BS4300BT Boom Stand  
PSK501C Bass Drum Pedal  
BA55BT Boom Arm (Not Shown)

GK518F:  
GK1875B 18"x7.5" Bass  
GK0805R 8"x5" Rack
